“ Andrik, I miss him everyday. I think about him all day everyday. He was like my son. My son P.J and Andrik are only 6mos. apart. I do not call him Andrik I call him Bootie. My dad gave him that nick name. I still to this day can not figure out where he got it from. I Love him for more reasons that I can explain. He always smiled even when he did not agree. He always came to visit or called me. My son is so hurt by the lost of Bootie I can see it in his face. I tell my self everyday that he is with my dad. Whom I still mourn. Love Always your Auntie Nae-Nae,Hugs and Kisses.
