“ Whenever a baby is born, an angel touches them.
That touch leaves a special mark, a mark no one else can have.
That mark that makes you special from deep down inside is like God's signature
To say that you are his and his only.”
Poem by Adam Dupuis

“ Zeno ask the Lord to help you through this hurt and pain, I was at the Homegoing for your son and he sounded like he was a well raised and talented young man. I didn't know any of them but his sister Majesty and my son Santino was in the same class. It was such a tragedy that we had to come to show our support for all of you. God bless you and your family.

“ Adam, even though we never had the chance to meet, from what I've heard you were a very loving and caring friend. I wish that I could've met you when we did our V/K Spring Concert. I know that out of this tragedy, you along with your stepfather and siblings will be able to rest in peace with the lord. May god continue to bless you.
