“ I am so sorry to hear about this loss in the Price family. I have had the honor of working with Mel for several years at White Pine Middle School. He is an amazing man, so I can only imagine that this has a lot to do with the man who raised him. It is my hope that your loss is softened by knowing that your White Pine family is here for you and our thoughts and prayers are extended to you and your family. May the many wonderful memories you have of Albert sustain you in this time of great loss.

With Deepest Sympathy,

“ I am sorry to hear of your loss and wish to send my deepest condolence. Albert was a great person in my life during the time I've known him, as well as, his wife. The both of them were very caring and loving people, would do anything they could for you from the bottom of their hearts, they were like a second set of parents in my life. God be with all of the Price family and friends, Albert has been called home to a much better place now and is in Gods unholding hands. I've been down this road of greivness and know how it is, losing a loved one is never easy, but if all of you hold onto God as I have, God will make a way for you and fight all of your sorrows. God bless each and every one of you.
