“ I'm very grateful to have known The Rivers Family. Mr & Mrs Rivers family were very good friends of my family. I can say that our families were a community of families who loved, shared, and helped one another. May The Lord hold the entire family together in love. My prayers still go out for you all in love and sympathy forever. I've moved away from Saginaw for many years and missed so many of you. Love still flows like a river. Rest in peace Mr Rivers.
