“ *Wow, I just recently heard Albert (June) had transition (thank-you Robert El-Amin). We lived next door to each other in the projects (1913 Sanford Apt 2 (green door) we live in Apt 1....(orange door). Such great memories. I remember June, Teta, Brenda, Larnell (Lonnie), little David, Mr. Albert, Ms Leola....and "Big Mama". She was a well dress lady and had lots of style. June was always a quiet soul. As I looked through the on-line tribute and some of the face-book posts...it brought back memories. May God grant June....eternal peace!*

I'm really gonna miss June, he was so fun, loving and caring to everyone he met, a hard worker who gave his all at the drop of hat and would even give the shirt off his back just to comfort anyone. These were manners distilled in him at an early age by his dad Mr. Albert A.C. Whittington who always reminded him all his children, my brother and I to say Yes Sir. So in closing I'd like to say, Its Not Goodbye, But See You Later....

I received a call that I new would come but hoped never would. Today the Whittington family and I lost a quiet soldier Albert C. Whittington jr. My brother in law for more than 26 years. I have been contemplating what I wanted to say about you bro. You may not have known this but you showed me how to work and persevere without complaint. My work ethic was forged partially by you and the way you did it, and for that I thank you. I may not be there with you but just know that I love you and everything you meant to me. Heaven has another good one, tell my madea I miss her 😞
