“ *Al was as dear to me as one of my own sons. Always smiling and warm no matter what his day may have been like. I fondly recall him marching up to Mt. Olive with his sister Mary when they were small children. He and my children shared a special bond. He will be truly missed and he was dearly loved. Greta, Martha, Mary, Sam, Leatrice and Andrew I pray God's comfort and peace over you as you go through this journey. To God be the glory for we know to be absent from the body is to present with the Lord. Trust that God is near to the broken hearted.*

It's hard to understand why people are taken away from us, but find comfort in knowing you were a special part of a well-lived life. Time will soften the edges and ease your pain. “Greta, Mary, and Doretta...when you have had the honor of knowing and watching the beautiful development of a man such as Alexander you know God is just good. Alexander was always a reflection of the William's family's grace, love and kindness. Alexander was a peaceful man. Growing up on 8th and Kirk allowed me to be around you all from Potter School, Arthur Eddy, and Saginaw High. Even after graduation each time I saw him his smile was genuine. That love he gave sowed many seeds and because of his efforts Alexander will never die. Just look around, Al's tree will be known by its fruit. May God grant you the strength you need during this difficult time.

“To my family we are going to continue to stay in pray and continue to lift each other up in prayer. We no longer have to worry about if alexander is hurting. Even though it is hard for us to except the fact that god has called him to be with him, we must know that god makes no mistakes and we can rejoice because we know that he is well and looking at us with that smile on his face saying I am fine and doing well. I'm playing basketball on gods court and mama daddy watching how I run down that court and smiling saying look at our son he's come to be with us thank you lord.

“I wish to offer my deepest condolences to the Williams family on the loss of your loved one. I didn't know Al, but from the beautiful tributes he must have been a wonderful person. In the Bible book of Acts 24:15 it reads in part "there is going to be a resurrection..." So just think of him as sleeping peacefully, waiting for Jesus to wake him up. And I pray that the Father of tender mercies and God of all comfort will continue to bless you and strengthen you through this very difficult time.

“ Although unheard I thank you  
For always being there, Even when you were bedridden, You  
always seemed to care.  
You meant so much to all of us  
you were special and that's no lie  
you brightened up the darkest day  
and even the greyest sky.  
Many tears we have seen and cried  
They have all poured out like rain,  
I know that you are happy now Cause you're no longer in pain.  
we was not ready to say goodbye  
Your disease just over took,  
So on this day we remember you  
I take a second look.  
Our friendship is forever  
Until death, did we part  
Although your away physically  
You're always in our heart!  
Al Williams I loved you as a big brother and I'm going to miss that  
big smile you always had! As a young girl you always watched over  
me and protected me! I've known you since Potter School Days and  
First Ward Community Center. You couldn't get to First Ward  
without passing me by! You were a kind and loving person! You  
were funny and you kept us laughing! You brought joy and laughter  
all the time! I'm going to miss coming home hanging out with you  
and Willie-You two together were hilarious! My heart is hurting to  
know that you are gone, but I know that you are in a better place! To  
the Williams family-"Weeping may remain for a night, but rejoicing  
comes in the morning"! We can rejoice because Al is in a better  
place! R.I. H. MY DEAR BROTHER-LOVE ALWAYS
