“ It's very hard to hear about the loss of Alonza. He was my father's best friend, and like a second father to me. He's been apart of my life since I was a little girl. He was truly a great person, and he will greatly be missed. I find comfort in knowing that he is now in a better place, and that he is in heaven with my parents. Alonza was always there to lend a helping hand, and gave great advice. With the recent loss of my father, I know that losing a loved one is never easy but, knowing that he is in the loving care of the Lord helps to ease the pain. I will always hold the fond memories that I have of Alonza close to my heart! God Bless everyone, and I will keep you all in my prayers!

“ I am very sorry to hear about the loss of Alonza. He was a dear friend of my grandfather, Mr. O.C. Johnson, who recently passed away earlier this year. As a child, I can remember Alonza "Lonzo", as my grandad called him coming over to the house or us visiting him. He was a nice and caring man. I wish his family comfort in this time of sorrow. I know he and my grandfather are happily being reacquainted in heaven! Take care and God Bless!!

“ Lonzo, was the most dearest friend and father, that I cared so much about. I could talk to him about anything and everything and didn't have to worry about him sharing it with anyone. He was the most trust-worthy man in the world. He touched so many lives, and even my sons life. I will truly miss him. It seems like only yesterday, I called him and we talked for a while or he would just come by and loved my cooking. Thank you Alonzo for being there when I needed you. To the family, Lillie you had the most wonderful father anyone could ask for. May God bless you all.
