“ RIP cousin. I remember how we played cards in Alabama at our reunions. I always looked forward to being with my family. We're all so far away but we are so close to each other. I never did get to beat him in spades. All his wiggles stories & cards tricks that I never figured out how he pulled off. True to his tattoos "card shark". I will always cherish those memories. #Miles family strong!!!

“ *To the Miles & Howard Families, we are truly praying with you and for you during this difficult time. But we know to be absent from the body is to be present with the Lord. I thank God for knowing Durand, my fondest memories of him include laughter and lots of love. We always had a good time getting together over Kendra's...and even in the classroom when he taught us about our Lord and Saviour during Sunday School. He was definitely a beautiful spirit. Continue to look to the hills and know that all your help comes from our Father in Heaven! May God comfort you all now and forever!*

“ *Kendra and family,*

My prayers with you during this time. I have had the pleasure of knowing Durand for over 30 years. He was truly a good friend. I smile when I think about me coming home from college and having Friday night food and card games at my house. Everyone in my family adored him in every way. Always smiling and keeping everyone laughing. My favorite line with him was the 4 horsemen don't die they multiple. 2 of the 4 are now gone.

He is truly going to be missed. My little brother and I cried and laughed through the night about some of the laughs and memories. He was a good man but a bad influence.

Kendra, Doris and the rest I love you all and will definitely be praying.
