“ *Our joy cometh in the morning our truth in the light*

Help cometh from the hills, Morning, noon and night

She sees the savior with all the angels about

As they reach out for her in all her pain and call her out

Let peace joy and love rein
Here in all heaven the angels proclaim

She can walk the streets of gold or sit at the master's feet

We'll all be together soon again we'll all meet

Sing! Dance! and rejoice in the victory
She's won her battle and the Lord said
COME HOME TO ME
