“ *It is with a heavy heart to hear about the passing of Andrea. I want to send my sincere deepest condolences to her children , husband and her entire family. Andrea had a heart of gold and knew how to have a conversation of looking at the brighter side of things. I remember having surgery last year and she made sure me and my children had enough food to eat. Let the power of the lord lift this family and guide them through this most difficult time. No more worries my sister , fly high for heaven has truly gained an Angel.*
