“ To my family: Jesus said: I am the resurrection, and the life: he that believeth in me, though he were dead, yet shall live: and whosoever liveth and believeth in me shall never die. (John 11:25-26) It is at these trying times that we need prayer and each other like never before. It is with tremendous grief and sorrow that I write this because Aunt Annette was truly loved and I will miss her. I talked with her frequently and she was always concerned with the welfare of the rest of the family. May God Bless you and keep all of us.

“ I just found out from my Mother that Aunt Annette had died. I am praying that God is with our family though this trying time. May we all remember the times we shared with Aunt Annette and keep those in our memories and let that be a reason to smile.

May we all remember the words God left for us at Revelation 21:4 "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be any more. The former things have passed". May it comfort us and give us hope that when God's kingdom takes over we will not have to worry about Death taking our loved ones away anymore.

“ Hi Annette,

I just want you to know. I will truly miss you. It won't be the same going home to visit. It won't be the same going to family gathers with my in-laws without you being there. Please don't worry about your husband or daughters. The family will always be around for them. You know Debbie and Diane are like our (McCullum girls) sisters. I know my sisters feel the same way I do. Debbie and Diane are very special to us. Annette, I would like to thank you and your sisters for being there for my mother. Annette, I realize you were sick yourself. But you took good care of my mother. You were there everyday for her making sure she got her medicate on time. I really appreciate that. Please tell both of my Mothers.I truly miss them and think of them everyday.Well, I going to close now with much Love.

“ Dear Mom

I love you always and forever.

I will miss you passionately. I know the plans God has for you, it is for good and not evil-you are there with God and I find comfort in knowing this, yet I miss you still. You have such a good heart and a loving spirit and everyone loves you, family and friends. Like my cousins said before, "you are in Heaven with the rest of the family' celebrating. Thank you God, for giving me a wonderful mother and a beautiful family. Thank you family for your support and love. Thank you friends, we are so grateful.

“ You will be truly missed and I was blessed to have you as my aunt. I will miss your smile, concerns about your family and now you are walking around heaven with a beautiful smile with the rest of your family. I can imagine you saying to lil Rob "stop" with his sense of humor. Also, I will miss visiting with you when I come to Saginaw. Gone but never forgotten.

“ My Dear Aunt Annette,

Words can not express how much you will be missed. I always remember you having a kind word whenever we came to visit you or when you came to visit us when I was younger. You reminded me so much of my mother. A strong woman in many ways, yet gentle when you needed to be. I know that you are in heaven with my mother and your mother, father, sisters, brothers, nieces, nephews and great nephews. You will be missed so much, I will never forget your smile and your style. To my cousins Diane and Debby, you have always been like big sisters to me and I love you and will keep you in my prayers, as I will do with the rest of our family.

Love,

Your Niece Sara
