Ann was a childhood friend of mine. She was always a nice and sweet young lady. The oldest of all her siblings and never was a trouble maker. Every time there was a family function everyone would gather over to Ann's house. She could cook and made the best Dressing ever. Now Lord you have given Ann her wings. She has joined her parents and brother Ruben. I pray that you give the other siblings and family members strength to care on 🙏

Ann one of my favorite people growing up! Who knew on day we would become family. I thought you were mean when I was little. Now I know why I was always in trouble when it came to you. You always looked out for me and made sure I was taken care of at Emerson Elementary. I remember you would catch me in the hallway and make me sing Anita Baker :) When I saw you a few months ago you let me know that I was your favorite student and you loved me.
