“ My Godmother was very special to me. Annie has been in our family from when she was a little girl. She has been in my life in so many ways. I remember as a little girl my sister took me to Mrs Barns house and we were in the kitchen with Annie and we all learned how to make dressing, we all know it now to be Mama Lillie's Dressing but it all started in Mrs. Barns Kitchen. Annie was my Mother's best friend she was like a second Mother to all the Jordan Kids, she would do anything for us, she has never told me no. no matter what I asked. I miss her so much. I used to really be scared of dead people but the Lord let me be with her(my Godmother) at her last moment of life and I thank him for that because I loved her so much. Annie I hope to see you in Heaven some day.

“ To the Eckles family, your mom was such a jewel. Her kind free spirit will be missed in the Saginaw Community. She is earth loss, but Heaven's gain.
