“ My condolences to the Reed family on the passing of their beloved mother. Mrs. AB was always very kind and thoughtful. The precious memories I have of growing up around her is priceless. She always welcomed us children into her home and made us feel loved, not to mention always feeding us. She made the best beans ever. The Bible tells us in 2 Corinthians 5:8 "We are confident, I say, and willing rather to be absent from the body, and to be present with the Lord." I will always remember and love her with all my heart.

With all my love to the Reed family,

“ To the entire Reed family, I was sad to hear about the passing of AB. We had so much fun with her growing up, I can remember all the pokeno games that we played, I thought she was the coolest (she taught me how to play). My prayers are with you all. Hang on to the memories and each other and lean on God and he will see your through.
