“ To the family

I am sorry for your lost. I was blessed to have known Anthony. We went to school together and were good friends. God will pull you through because He doesn't put anyone in a situation that He will not pull them through. Your family remains in my prayers. May God bless and keep you.

“ Dear Anthony,
I was so hurt when I heard of your home going. You were such a sweet respectable intelligent young man who always kept a smile. Even though I have not seen you in a while, I can still picture your beautiful smile. You will be truly missed. And to the family, my heart goes out to you. May God
bless you and I love you.

“ To the family of Anthony I'm deeply sorry for your loss. Anthony was a good friend of mine at Saginaw High. I loss touch with him but now it hurts me because I will never see him again. I pray that the family stay strong because that's the way he would want things. God will strengthen your hearts and Ant will forever be a part of everyone he have touched throughout his life.
