“ To Denise,
My grandmother lived next door to you on 13th...Mrs. Georgetta Gaines. She babysat Anthony and T'sha sometimes. Anthony was hilarious as a child and as an adult. Whenever we saw each other we would crack up laughing about our childhood in 13th. Good memories. May you find peace knowing that he was a good guy. God bless you all.

We pray for peace n comfort for you mom, sister, children and loved ones. We thank god your in paradise but how bitter sweet we can't smile and laugh with you till we join you in heaven. There isn't enough words to describe how great of a man you was and such a great friend to be around , so silly and fun. It's hard to be happy n sad but that we are, because your in paradise and we are stuck here without that contagious smile. GOD bless you our friend with lots of love, James n Michelle Wilson.

“ *My dear brother; I still cannot believe that I am sitting here, writing on your wall. I am not sure if I could ever fulfill this void that I have in my heart; knowing that you are not physically here. You have been such a good lil' big brother. You gave me such a hard time as a little girl, but you have no idea how your "hard time" help to shape me into the person that I am today. Although you used to get on my nerves, it was always in a good way. As you once told me, "I may get on your nerves, but you're stuck with me as a brother". I am glad that I was able to come home and spend 2 whole weeks with you. It was a joy to be with you until the good Lord saw that it was time for you to come home. You are and will be greatly missed. Until we meet again, you may rest easy now; with a Newport.*
