“ My thoughts and prayers are with you as you go through this sad time. I remember Toni and her mother and the big beautiful house on Washington. Toni gave great parties in the basement and was always a sweet person. I know you will miss her. God bless.

“ Toni Smith was a strong, phenomenal black woman, admired by many. She broke many barriers in her day including becoming one of the first salaried black women in GM. She had a style of her own which could not be duplicated. I will never forget the custom made black and red Buick she owned! Tisha, she was an excellent mother and did a wonderful job of raising you. Toni was also very talented.

Tisha and Mori - as you go through the days, weeks and months ahead, remember your beloved mother/sister at her best and cherish her memory. She was an inspiration to many.
