“ Words fail me as I want to express my sorrow for your loss of Antonio...Please continue to look to Jehovah for comfort when you feel you can't go on, and He'll give you the "strength beyond what is normal" to press on to the time when we'll all see Antonio again in the resurrection.

“ Wife, children and family. My prayers go out to all of you during this difficult time. Antonio was a man of good will, integrity and character. We went to school together throughout our Jr. high and high school years. I will always remember those good times of laughter and joy. Family, keep God first and he will see you through. Antonio is absent from the body, but present with the LORD!!!! Wife, hold on to your family dreams and Antonio will look down and smile upon the legacy that he has left behind and when the two of you meet again, he will say, "Wife, job well done !!!! I will continue to pray for you and your family.

“ To the children Champagne, Antonio Jr., Paige, Jovan, and Kayla. I'm so sorry for your loss. You all are so young and probably don't understand why this had to happen. But remember your father loved all of you so much. He talked about his children all the time. He loved you all so much. He was a good father and a really good person. Your dad would want you to get close and stay close. Stay in touch with each other, family is so important and it would be so nice if you all can be there for each other. Keep in contact with your grandmother and aunt. Remember your dad lives on in you. Just remember your daddy loved you so much. Don't let anyone tell you different.

“ Antonio was a great man. We graduated together from SHS and always had great respect and admiration for one another. I can still remember the last time we spoke which was many years ago and he spoke of his wife and how happy he was. I was glad to know he was happy for that is all that truly matters. He will be deeply missed just to know he has passed on.

God Blessings to his wife, children and entire family.

“ Antonio and Wife-

I have been honored to be your sister and friend since 7th grade and all the joy and laughter and smiles we shared I will always hold near and dear to my heart. I know that words will never replace the lost and that I am filling right now but, I know that God's plan is bigger than mine and yours so, you rest brother in God's hands and I will see you on that great day. To my God sister-in-law although we never meet we talked alot on the phone and I'm holding you up in prayer and will meet you soon.

“ When I was pledging, not a night went by when I DID NOT dread the thought of seeing "Big Tone" (as we called him). "What (in God's name) was he going to have us doing tonight," is what I always found myself asking...

Although the fear was certainly there, I did have respect for him for embracing me and my Line Brothers once we crossed. I actually found Tone to be a great God fearing man, once pledging was over.

I am shocked and saddened by his passing, but I know he is home in glory resting peacefully with Jesus, which is far better than anything else!

God bless you Big Tone, and your family members as well!
