“ AV, although we haven't seen much of each other in the latter years, I still remember the many Saturday nights that you, Lynn, Brian and my brothers Sam, Mark & I entertained ourselves all hours of the night while our parents played spades and other card games while puffing on cigarettes and drinking alcohol. They ignored all sense of bedtimes and we had rule of the house while they sat, laughed, and played away until we passed out from exhaustion. Those were the days. I feel your passing was an untimely one and it grieves me deeply that you left us this way. Wish we had time to have made some more memories.
