“ May god continue to be with all of you in your time of mourning. Dolly was very special to me and my girls. Had not been for her there would have been no mouths feed over this way. She gave a hand when noone else would. i want to let Annette and the family know that they have really been blessed to have had a mother,grandmother,sister,aunt and yes friend in Dolly. She was definately a blessing in disguise. Please know that you and your family is not the only one who will be missing her. That great babysiter has put alot of smiles on this world and please always remeber that. I love you all and you will always be in my prayers.
