“ In 1984 a woman wearing red knee high leather boots walked into a nail salon and I i couldn't take my eyes off from her. And so a friendship began !! I can't even begin to reminiscing of the stories we have shared and the loved ones we have known through the old Ole days. One of the best takeaways of our old friend; Gloria Hanna; That laughter between all of us was contagious!! Bless us all when we see each other in Heaven !!
