“ We worked with Shad at plant 7 for many years and knew him well. He was always smiling and kind to everyone. We are so sad to hear of his passing. He was one of the nicest people you would ever want to know. The world is a better place for him having been in it. Rest in peace, our friend.

“ Words cannot express what a great loss to this family we have had. Even though we love him, God loved him more. We will miss the laughter, the joy, the caring, the compassion and the heart he had for giving and sharing with others. All of us cannot be there in person but we are there in spirit. We are praying for you Please pray for my mom (Willie Lue) this is hard for her, she is unable to travel at this time.

“ *I was saddened to hear of the loss of my cousin. I knew of his long battle and now the battle is over. The suffering has ceased and God has called him to his rest. If I don't make it, I pray that God keeps the family in his care. To his children, I was in the same shoes 2 years ago when I lost my father. Cry your tears, but keep the faith and God will see you through this. You have my Love, Prenestine*

And if I go and prepare a place for you I will come again, and receive you unto myself; that where I am there ye ,ay be also. John 14 1-3
