Forever you will remain my "BROTHER"...there is not a day that goes by that you are never on my mind or my heart. You were so much more than just another being here on earth. You were a loving son, grandson, cousin, uncle, and phenomenal spirit to have had in any presence you encountered. So it is for you that I have dedicated the dream we were supposed to see come into fruition together. Everyone will know your story not for how it ended, but for how it was lived. May the Most High Judge you for how your heart was built & the love that was housed there, & not for what this wretched make us...L.O.E. & THA WHOLE SQUAD ZEEK...."Love Always, Loyalty Allday...TRUST 1:1. I miss you ZEEK & you'll forever be carried with me in spirit.
