“ I wish that there were some words that I could say to make this all go away- but there aren't. Please be encouraged and know that God has a plan. We don't always know what that plan is but if we just trust Him and stay in line things will work out fine. Deb. Please don't give in or cop out because your precious baby girl was a gift and a lesson never to be forgotten she's in heaven(NO MORE PAIN)! But you have two other children that need you and deserve you to be the best mother you can be so step up, trust God and lean not to your own understanding. I'm here for you always, Cynte, Star, & Steven
