“ Just know that God loves you and the baby. I had a baby pass away many, many years ago. You never forget, but it does get easier. Just know that God wanted Ishmeal to be with Him more than to be with his family. For what ever reason - do not doubt God. He knew what He was doing. Just keep your hand in Gods hand and stay strong. The devil is trying to defeat you - don't let him. Stay strong.
