“ *I would just like to say to the family, that you don't know me but you all are truly in my prayers. Sometimes people don't know the right words to say to comfort you at a time like this, but God knows. He will rock you in his arms, he will give you the words the you need to hear from other people, He will minister to you, help you find comfort. I am so very sorry for your lost. May God give you peace of mind and heal your broken spirit.*
