“ *You were truly one of a kind. There will never be a replacement for you in my heart. I shall never forget those special moments and times we spent together. I love you with all my heart and will never forget you. You were my role model, inspiration, and angel. I will see you when I get there. You are physically gone but forever in my heart Bob. You were more like a Mother than an Aunt to me. Rest In Paradise.*

“ *Rejoice! Ms. Burton is in the arms of her Lord. She was a kind, generous and loving person. I always enjoyed our conversations and visits and will always remember her as a person, who despite her health, maintained her humor and love for Jesus and belief in the basic good of people, even when people didn't treat her the same. She was generous with others and with her kind words. I saved a voice mail from her where she sang me a song which I'm sure has it's roots as a church hymn, but she personalized for me. When I'm feeling down, not having a good day at work, I will listen to it and it raises my spirits to think of her singing this song. I will miss her. Ms. Barb, I know you are sitting at His side, whole and complete in His love. God Bless you and keep you.*
