Tribute Wall

“ I would like to say that I am truly going to miss you Papa. I know that we didn't spend a lot of time together but the times that we spend together was wonderful. I miss sitting in your lap while you were watching tv, and pushing you in your wheel chair to the kitchen table. It's not the same with you or grandma not here. Just sitting back and thinking of the times that we used to share makes me want to cry because I can't do those things with you anymore. That's nothing though because I can do anything I want to do with you in my mind and through the grace of God. Tell my father that I said hi, I miss him, and I will see both of you soon. Even though you are gone from this presence you will never be gone from my heart! I Will Always Love You and Forever Miss You!
