“ *In this Beautiful War that we call LIFE, we honor all who bravely fight their way through it, although we know that, as in any "war", the soldiers must surely meet their end at some point.*

To lose my brothers Mike and Benny back to back, then my oldest nephew (Woody) is almost more than I can bear. However, I find comfort in knowing that you have served your family and this world well, Nephew, and that you will now find rest as you elevate to the Highest Level to bring comfort to your father.

I love you, Woody, and wish your a peaceful journey forward.
