“ God is love and he loved her so that he saw fit for her not to suffer any longer. I know that it is hard to address at his time abut if you believe in God and pray for guidance and strength you will endure. and besides that you will then be able to reflect on all the fun times and memories you shared with her. I know I lost my grand father ,my great grandfather and mother so I can say I do understand but as long as God reaches his hand out to you and you receive it you will be at peace in no time. You call me when ever you need me and plus I remember your moms and my moms 1st cousin sherry were thicker than thieves so our family know one another and i will continue to pray for you. your friend Tanisha and family.

“ My Godmother was a very special woman. She loved all her children and my mother (Elaine Rankin) uncondiontially. For me it's like saying farewell to my mother all over again again. Mom would call me or I called her we would start our conversation right where we left off. To all her children; your mother LOVED you all very much. I have known the faimly for so many years and know what's it's like to say good-bye to a mother. It never gets easy!!! When you have done all you could do and did your part there is no reason for any regrets. See you all next week. I love the entire Brewer Family.

“ *Brewer Family:*

My deepest condolences are extended to you all. "Miss Bessie" was a sweet lady. I was always fond of her; since my childhood, I remember her having the same disposition: warm and kind. She always greeted me with a smile. May she rest in peace in Him. I pray you all find comfort and peace in Our Lord and Savior. May Jah bless and sustain you all.

With love and respect,

“ Ms. West, Robert and Rosemary, Fonnie, Kari, Tif and Mika

Praying with you all during your lost. Just as with any mother or grandmother, she was your rock and strength. I smile when I look back at our school days and who would get rescued by Ms. Brewer when they got in trouble (Fonnie) but how she was always there to nurture not just her own but other children too.

I count it an honor and a privilege to have been a seed that she waters and also to know many in the family as I did and still do.

Know to be absent from the body is to be present with the Lord.

I am here for you. Just call.

Blessing to you all.
