“ To the family of Bettie Brown. I have been friends with Bettie since she started volunteering at Houghton-Jones Neighborhood Task Force in 1998. Bettie and I remained friends after she began working at MSU Extension and I returned back to SCCMHA's main building. We had monthly lunch engagements. In fact, we had lunch the day before she left to move to Memphis in December. Betty was a true friend and will be missed dearly. God does not make mistakes. Your mother and grandmother was a child of God and she is now rejoicing in heaven (with Rita). My thoughts and prayers are with the family at this difficult time. Remember to hold to God's unchanging hand. He will comfort you.

“ To the family of Mrs. Bettie Brown:
You have my Deepest Sympathy and I will keep you in my prayers! It hasn't been that long ago that I lost my father(06/06) and I'm still coping :-(. Ms. Bettie will be sadly missed by me and many of my co-workers here at MSU Extension. We already felt a loss when she moved to Memphis, TN, but this is Definitely a Much Deeper loss!! I was her secretary, friend and I(we) consider myself her second daughter - Not that I could EVER or would Ever try to replace or walk in Sherita's shoes!! On a positive note... You KNOW they are "having a Ball!" :-)

“ To the family of my dear friend.
I pray that the Lord continue to strengthen you in your time of sorrow, I am very sorry that I was not able to attend her home going service. But I thought back on something Bettie and I had talked about. We wanted to remember each other lively, full of energy. I talked with her a week before she past. When I could not reach her, I knew she was in the hospital again. I just wish at that time she would have taken her cell with her. So that I could have spoken with her before she when home. I miss her call, her voice, and just the wittythings she would say. Every week we would talk with each other sometimes two or three times a week. I miss, and love Bettie, but God loved her best. Rest on Bettie you don't have anything to worry about now.

Love, your friend and sister in Christ
