“ To my family stay strong...God is in control and will always be in control. Please allow God to have control of your lives and know that Auntie Lock is no longer suffering. I am praying for the strength of Stomp and Pooh-Pooh as they go through the loss of losing their mother. My prayers are with everyone as I too know how it feels to lose a parent. May God be with us all.

“ To the family, I am praying for your strength during this difficult time. I worked with Betty at Citizens Bank for about 3 1/2 years and I must say that I enjoyed laughing and talking with her on a daily basis. She was such a fun loving person who had the biggest heart and would crack me up with some of the things she would say. I will miss her sorely and to Stump and Sheila, as part of your church family, if there is anything you need from me, I am here!!!! God bless you all and know that God will comfort and give you strength!!!!!!

“ I worked with Betty at Citizens Bank. My cubicle was right next to hers.
Betty always had a way to put a smile on everyone's face. You could come into work in a bad mood, and then there would be Betty, dancing by her cubicle, or saying something funny and then all of a sudden your bad mood would just vanish. She was so much fun to be around.
She was a great person and she will surely be missed.
