“ To Shelbie and Family:

Always cherish the good times you all have shared. There are many things that your mother left you all. But the one thing that I remember most about Mrs. Williams-Holmes is that she loved music with a capital "L". Almost everytime I would come to visit, Ms. Williams-Holmes was listening too and playing music.

That is what I always think about and remember when remembering Mrs. Williams-Holmes and it always put a smile on my face.

Love you,

Siovhon
