*Bobby you will be missed. I am glad that you are not suffering. I always prayed for you to be yourself again. I remember you riding me on your motorcycle showed me where the motorcycle club you were in. They couldn't believe I was your sister. You said I didn't think my mother was going to have any more. That is the biggest memory I have with you. My big brother I love dearly. Tell Mom, grandma, Tony and Gemini Hello and they are loved and missed. From you little sister Vickie 🙏❤️*
