“ Words cannot explain the pain I've felt for the past week when I heard the news. You have always been a positive energy in my life growing up back on Holden St. You've always encouraged me to go further in life & I would have never thought to have lose you so soon. I will miss you dearly & my family sends their extended prayers during this time. It's not goodbye, it's see you later. May you rest easy & watch over all of us. I love you.
