R.

“ *To: The Brown Family. My heart is heavy with pain. I am so sorry for your lost. Baby Bravon is in Jehovah God's memory. He has promise that our love ones who have fallen asleep in death will come to life. (John 11:25) To "a new earth that we are awaiting according to his (Jehovah's) promise in these righteousness is to dwell." -2 Peter 3:13.*
