I hate I miss your funeral, but I was afraid of Carl and what he always try to do! With keeping you away from us! I Wish I would have held your hand or felt your breath one last time but! It is what it was always for years! I never hated you! I just wish you was my mother! People don't get me! But I know what I feel and it's been takin away from me by Carl! But any whoop! Can't say it's a sad day today's for me! They are bearing your rapist husband today! I can say God rest his sole thou! Because I believe he is not going to heaven! He hurt too many people And I'm #3 and the #s keep going! But I believe you know this! But just wanted to say I love and miss you! Rest my dear mother💕

“ One day we'll all be done with the troubles of this world...Until then, God gave us each other to lean on.Thinking of all the family during this time and praying you'll find comfort knowing that the one you love is home now, free from pain, and at peace.
She will truly be missed and always remembered in our hearts.

“ *"When Mother Goes Away" (1940s)*

*Nothin' ever seems the same
When Mother goes away!
The sun don't shine so brightly;
The day seems long and gray!
The dishes all get dirty;
There's no one who is gay
And full of fun and laughter
When Mother is away!
~Gertrude Tooley Buckingham,*

“ This is far most the hardest thing that i ever had to do, and that's, say goodbye to someone that gave birth to you. Mom God looked down and seen the road getting harder to climb and said"close your eyes, peace be thine, I have seen your struggle and you have done your best, now it's time to enter into my rest, come on Brenda, family and friends await you, I know you don't know, but your brother bob's there too! So raise out of your shell, come forth and rise, don't worry, "you will see your children again it's just a matter of time."So smile on mommy we love you, this is not the end, but the beginning for you.
