HE

“ To The Kissel Family -

During this time of difficulty, please know that much comfort, hope and strength can be found in God's Word the Bible. Losing a loved one in death is difficult. But we gain endurance to continue in knowing that it was not Jehovah's original plan for man to die. In fact, very soon HE is going to eliminate death forever. We are assured of this in the Bible at 1Corinthians 15:26, where Jehovah says, "and the last enemy, death, is to be rbought to nothing."
