“ Tiffany;

I never got to meet my little great niece, but my heart has comfort because she's no longer sick or in pain. I know you are hurting right now, but know that my family and I are thinking about you and will keep you in our thoughts and prayers.

*Love,
The Crooms*

“ *As I looked through the obituaries I saw Brooklyn. She is a beautiful girl. We have not met before. I just had to comment on this, it touched me so much. It pains me to know that she is not here. Things can be so unfair in life. Now is the best time to hold on to God for strength to keep going. Every day is going to be a different kind of struggle, but He will keep you.*

Psalms 55:22-"Throw your burdens upon God himself, and he will sustain you"

Philippians 4:7- "and the peace of God that excels all thought will guard your hearts and your mental powers through means of Christ Jesus"

I have a booklet called "when someone you love dies" It talks about different ways people cope with tragic situations like this. If you want it I will give it to you. Feel Free to email me.

Im so sorry that you have suffered this great loss.

*Sincerely,
Tanza*
