“ Byron and I worked together at All American Ford in the early 90's. I was Used Car Salesman of the month for 18 months and every month he would say "I am taking you down", he was always close behind me. Then in November 1991 he took me down, big time! He was always as large a life and just a GREAT guy! One of the few guys in the car business that always had my respect! My deepest condolences to his family.

“ My condolences goes out to Shakenia, Sharenia, and Dewrail and the entire extended family as well as myself. My mom and his mom was sisters, so we were very close, more like sisters and brothers, we lived very close to each other back in the day , my mom and aunt had children together, we were all close in age if not the same age. Byron was a laid back man and kind of soft spoken, when I had my daughter he bought her a white baby bed, he said get what you want. Byron will truly, truly missed by everyone. R.I. H my brother cousin Byron, see you later. Love you
