“ This one right here is so unbelievable, and hurt to the core. Me and Carleen go way back we use hang like wet clothes, man we had a lot of fun and laughs together over the years, we might have lost touch over time, but some bonds just can't be broken not even by distance or time. You have gained your wings my friend and I have gained another Angel on my team, and your going to be so sadly missed on this earth Carleen you were ALWAYS a good friend who looked out for everybody and I Thank You from the bottom of my heart for being that Blessing in my life, because good friends are hard to come by.
