We sat and talked about back when we attended all the Showers & Weddings We were young just good into our twenties. Also we spoke on how her & my Mother birthdays was coming up because they share together. When I say I Loved every second of being around her personality would bring Happiness to you, because she remember everything. She would be dearly miss. I Love you and there's nothing you can do about it. This what we would say to each other when we depart. Rest In Paradise Cousin*
