“ I've been SPEECHLESS since the day I learned of your passing Care. This is too much! What a beautiful soul, What a well mannered individual. What a handsome young man. Carrington I will miss our talks. I will miss your smile. I will miss your laugh. I will miss your innocence. I am forever grateful to your Mom for selecting this picture of you when you drove my car to your senior prom! Although as I type with uncontrollable tears-my heart smiles deep down inside to see this picture. You will forever live on in our hearts my baby.

To Liz and family, I send my love, hugs, and terms of endearment for such a huge loss. Regardless of the miles between us, I am ONLY a phone call away. I pray for your peace that surpasses all understanding.

Love Gianni
