“ This was one beautiful young man. We loved him. He was a good friend to Brian. They always had fun play games, going to movies, swimming in the pool and their special boys night was filled with laughter and a bit of competition. They would make their gundam models and compare notes. He was a strong hard worker and he loved his family and his grandparents. He was especially fond of his grandpa. As Brian got physically weaker Carlye was by his side to help him out. During dinner he would tell us."You know someday , I'm gonna have my own car and a nice girlfriend. I hope he does now. We are so deeply saddened not to have him here on earth but now he is definitely one of God's great angels.
Miss you forever,
Brian Hurtig (Deanna & Carl)
