“ I worked with Catrina at Bellamy Creek. One of the first times I talked to her she told me she lived in Lansing but her home town was Saginaw. I said "me too." She said, well actually BV Township, I said "me too. She said I lived on 26th st. I said, I lived on 25th! We laughed! Small world! We were friends after that. We would go back and forth about MSU and U of M. She always made a point to show me when she had her MSU clothing on. I will miss her and her pleasant lively self. A tremendous person. So grateful to have known Catrina.

“*Ms. Bady Adams, girl, we had a good time when we worked together at Saginaw Psychological Services servicing MDOC. We laughed and talked about everything. It was always a pleasant surprise when you use to stop by my house on your way back to Lansing when your children were younger just to say hi. GOD continue to bless the family.*

“ I worked with Ms. Bady-Adams in same building for over 17 years with Mdoc. I would tell her about my niece and nephew and all there accomplishments over the years. She would give me advice for my nephew with his struggles in life. MS. Bady-Adam said that me and her were living through my niece Kayla, because she is living in Hawaii as a Marine. She said Rose we should go visit her in Hawaii. Lol! I enjoyed laughing and joking with her about being a state fan. She was a nice sweet lady, who cared about the well-being of everyone she worked with. Her charm and wonderful personality will never be forgotten. She will always being in the hearts of her Mdoc family. It makes me sad to walk by her office and not see her to chat with. You will be missed my friend.

“ I worked with Ms Adams at Mid Michigan charter School. She helped my family through some struggles. She recently helped my son with his substance abuse recovery. He said she understood him in ways that others could not. He wanted me to pass on his thankfulness to her family. My condolences to her family. Please know she made a difference in our lives as I'm sure many others.

“ *Ms. Bady - Adams was one of the first people I seen at work every morning, she would light up a room and always ask how I was doing, last Thursday she joked about having my 12 year old daughter goto Chicago with her, that would be our last conversation, she will be missed by not only me but so many others as their is now an emptiness felt through out all of Bellamy Creek. RIP Ms. Bady Adams and hugs and prayers to her friends and family.*
