“ *Evelyn and family, I would like to extend my heartfelt sympathy to you and your family at this time of bereavement. "Let not your heart be troubled: ye believe in God, believe also in me.*

*In my father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you.*

*And if I go and prepare a place for you, I will come again, and receive you unto myself, that where I am, there ye may be also".*

*God will see you and your family through these difficult times.*
