“ *To my family this one is a hard pill to swallow here Uncle Charles was everyone's favorite a void will forever be in our hearts due to the absence of his presence but man do we all have some priceless memories with this man to hold on to. I want all you guys to know that I Love each and everyone of you and the same way we all came together these last days to be there for Uncle Charles we need to continue to do that for each other Family First. Life is too short and tomorrow is not promised to anyone of us so let's love each other while we're on this Earth. So my challenge to each and everyone of you is to come together as Family and Love one another United We Stand... R.I.H Uncle Charles your work here on this earth is done. Job well done. Until we meet again I Love You with all my heart your niece Chrissy aka Baby Bubbles*
