“ Dear Mrs. Carnell Hough and Family, my name is Kelli Rodgers and I was a childhood friend of Charnell. We attended Stone Elementary together and I just found out about this tremendous loss. I want to send my sympathy and love. It has been a while since I have seen Charnell but the memory of our friendship remains fresh in my mind. I've thought of her often throughout the years and hoped she was well! She was my best friend in the sixth grade and a fond memory I have of her, is going to her birthday party that year. We danced in the basement and laughed. That's what I remember most about her. She never had a negative thing to say! She was silly and sweet and she is part of the happiest memories in my life. I'm just sorry we lost touch. I send you all my deepest sympathy and love. I know Charnell is making the angels giggle in Heaven. God be with and bless you all! With sincerest sympathy, Kelli Rodgers

“ On behalf of my family I would like to thank everyone for their kindness, support, prayers and generosity during this difficult season. My sister was an amazing person, my best friend and confidant. Although I live many miles away it was almost like we lived together because I spoke with her every day of my life. There was not a day that went by that I did not hear her voice; not one day.

*I'm so blessed that the Lord allowed me and my mom the opportunity to speak with her one last time before she was called home. Felice was a very private person so it really touches our hearts to see the outpouring of love from so many people that she touched along her journey of life.*

*Special thanks to my stepsisters Tayadra, Pamela and Sam who stood by my side and encouraged me along the way. My Aunt Will powerful woman of God , thank you, my cousins Bridgette, Beverly and Brenda love you so, my church family Christian Life Church-the best church family I could have asked for.. thank you, "Paul" my sisters close dear friend you have been so wonderful and she loved you so, and a host of close family and friends.*

*"May the peace of God which surpasses all understanding guard our hearts and mind through Christ Jesus"*

*Love "Shari"*

“ To the Family and friends of Ms. Charnell Webb, I can only imagine what a wonderful person Charnell was and what a tremendous loss it is for her to leave us at this time. I never met her but I often laughed about the things she said to my good friend Sharise, her sister. I know her humor, wisdom, love, kindness and laughter was the highlight of your lives. I pray that you all take comfort in knowing she is with the Lord, for though we see it as a loss in this world, its really a gain in heaven, for it was that day that he rescued her from this life and upgraded her to eternity with him. She will be terribly missed but we shall see her again if we also believe in Christ as she did. My prayers are with you all.  
Blessings, Minister Pepta Simone H., Los Angeles, CA.

Sharise and I were classmates way back in the day when we attended St. Mary Cathedral, although we have been out of touch for years, the loss of a loved one is something that we all have experienced or will experience at some point in our lives.
