“ *I want to express my condolences and prayers to Tangela, Debra, Pucci, Nu-Nu, and the rest of the family. My God continue to bless and watch over her children. I was very sad to here about the passing of "Chelsie." I can remember her when she was a baby, I would go and get her from Tangela. When her mom got married, she went to get her and told her that I used to keep her when she was a baby. When I saw her, we hugged and I told her she was so Beautiful. I am so glad that GOD let us cross paths, I was able to hug her and tell her how beautiful she was. My GOD give you all the faith, strength and blessing. Remember how much she was loved, but GOD loved her more. God has gained another beautiful angel, "Chelsie" has gained her "Wings," and flying high with that beautiful smile.*
