“ I remember once when I was about 5yrs. old, grandma took me and Tammie to K-Mart in Buena Vista. We were finished shopping and standing in the check-out line. Fannie asked grandma if she could also get a coloring book, along with the new clothes she was buying us. Grandma asked her would she rather have the coloring book or a pair of socks. Tammie says, "I want both." Grandma didn't miss a beat.....she says, "well, people in hell want ice water." I was so shocked by her language!! 🙄 Tammie didn't get the coloring book or the socks. It was over as soon as it started. We had a great time at her house that night! I miss you, grandma. 😔💕💕
